Dear Friend:

Substance use and mental health disorders have taken an enormous toll on the health and well being of too many Americans. The workforce, families and the community's health care resources can all be impacted when just one person is dependent on alcohol/drugs or suffers with mental illness.

The 18th annual National Alcohol and Drug Addiction Recovery Month (Recovery Month) will be held in September 2007. This year's Recovery Month theme is "Join the voices for Recovery; Saving Lives, Saving Dollars." This celebration will recognized the positive impact of investing in treatment and recovery on individuals, families, and the community.

September is the month set aside to help communities nationwide to:

- Celebrate individuals in recovery and the treatment of professionals who have helped them reclaim their lives.
- Highlight the societal and personal cost benefits of substance use disorder treatment and recovery.
- Educate the public and community leaders that substance use disorders are a treatable health problem.
- Encourage community support for those in need of treatment and people in recovery.

On September 29, 2007, The Palm Beach County Substance Abuse Coalition will work with community based agencies and system partners to educate the public and community leaders on the benefits of substance abuse recovery and join those with substance abuse/mental health issues in a celebration of their programs of recovery. The Coalition will be hosting "An Evening at the Palm Beach County Zoo-A Celebration of Recovery" a alcohol-free, recovery resource fair with live music, food and booths exhibiting services and resources to aid in the recovery process.

We want to make sure you have the first opportunity to become a sponsor for this event. Your generous support positions your company as one that cares about its community. As we are a 501 (c) (3) organization, your contributions are tax-deductible. Your response by September 7, 2007 will ensure that you are included in the early publicity.

Should you have any questions, please feel free to call the Palm Beach County Substance Abuse Coalition at (561) 627-6603. Thank you so much for your time and consideration. We look forward to your participation, and welcoming you as a friend of the Coalition.
